

INDEX

This index covers information published in the twelve issues of COMPUTERS AND AUTOMATION, vol. 4, no. 12, Dec. 1955, to vol. 5, no. 11, Nov. 1956. In order not to delay the current issue, Dec. 1956, it has not been included in this index. The last part of each entry gives: volume / number (month of issue), page number.

- A:** ABSTRACTS: Association for Computing Machinery Meeting, Los Angeles, August 1956: Part 1, 5/10 (Oct.), 40; Part 2, 5/11 (Nov.), 30

WESTERN JOINT COMPUTER CONFERENCE, LOS ANGELES, FEBRUARY 26, 27, 28, 1957

The 1957 Western Joint Computer Conference, sponsored by the Institute of Radio Engineers, the Association for Computing Machinery, and the American Institute of Electrical Engineers will be held in Los Angeles, Calif., on Feb. 26, 27, and 28, 1957, Tuesday, Wednesday and Thursday at the Hotel Statler, Los Angeles, Calif. The conference theme is "Techniques for Reliability".

The secretary of the conference is William S. Speer, Norden-Ketay Corporation, 13210 Crenshaw Boulevard, Gardena, Calif., from whom more information may be obtained.
